COMPANY PROFILE · 2026

# Green Environment

## for Environmental Consultant & Laboratory

*Leading Environmental Compliance in Kuwait — from study to final approval.*

GRADE (A) & (B) KEPA CERTIFIED · ISO 14001 & ISO 45001  
· 350+ APPROVED PROJECTS

# A Kuwaiti environmental consultancy trusted by government and industry.

Green Environment Consultancy is a Kuwaiti environmental consulting and laboratory firm — Grade (A) and Grade (B) certified by the Kuwait Environment Public Authority (KEPA), based in Kuwait City. We help government agencies and major corporations across Kuwait accelerate environmental approvals and execute regulatory requirements with unmatched efficiency.

*Our leadership brings former KEPA experience to every engagement — ensuring smooth compliance and first-time approvals.*
